

## Professional Development Workshop Scholarship Application

Scholarships are available for IBPI's professional development workshops, with generous support from **Cycle Oregon**.

Students, advocates, volunteers and employees of small organizations who may not otherwise be able to attend these workshops are welcome to apply. Preference is given to applicants residing within Oregon.

To apply, please submit the following:

- One-page letter that describes why you want to attend this workshop, your interest in the topic(s) covered in this workshop, how your attendance will enhance your professional development or studies, and how you plan to use the information gained by participating in this workshop
- Current resume and contact information
- Students: one letter of recommendation from academic advisor

**Applications are due one month before the date of the workshop.**

Please send applications to:
